

# CLASS 3-6 NEWSLETTER

SEPTEMBER – OCTOBER 2025

## WHATS NEW?

This term, the children have been working on the theme of Oceania through Aboriginal art creations, an exhibition of objects brought back from Australia by Valentin's grandparents, and songs and poems inspired by the continent's wildlife.

## SPECIAL DATES

### 4TH SEPTEMBER 2025

First days of school for the youngest, a new school for some, and the return of familiar faces for others... little by little, everyone has adapted well to their new environment.

## WELCOME-BACK PICNIC

It was a wonderful moment of sharing and togetherness, enjoyed by children and adults alike.

# DAY OUT TO CHATEAU D'ASTROS

Our apple picking was a wonderful success ! After learning about the life cycle of the apple and exploring its parts, the children took part in a baking activity with Hippolyte's mum. Meanwhile, the 6-12-year-olds put their budgeting skills to good use by organising an apple sale for the adults at school.

## AUTUMN BUFFET

To celebrate the end of the first half-term, we held our autumn buffet. Families were invited to share homemade dishes and spend a lovely evening together before the holidays. The children were proud to help prepare and share their apple cakes, and it was a wonderful moment of sharing and togetherness to close this first period.

**We hope you all enjoy the holidays  
and look forward to seeing you  
again soon!**
