

JANUARY/FEBRUARY 2026

6/12 NEWSLETTER

In the middle of winter, our days in class are brightened by the children's creativity, curiosity, energy, and joy.

Creativity takes center stage with a visit to the Chagall Museum in Nice

All of the children from the Montessori school were welcomed by a tour guide who showed them the paintings and stained glass windows by artist Marc Chagall.

The tour was followed by a creative workshop inviting the children to compose a stained glass window in the style of the artist.

Finally, the morning ended with a picnic in the museum park.

Creativity continues in the classroom.

Valentine's Day Workshop

Pastel painting

Making masks for carnival

Creation of a gouache painting inspired by
Chagall's work on the theme of peace

Curiosity is experienced every day through the wonders that the seasons bring us.

“Education is a natural process in children that is not acquired through words but through experience of their environment.” Maria Montessori

The excitement of getting back into sports at Gilbert Auvergne Stadium with Linda, our sports instructor.

Joy through sharing
good times and good
food.
