

JUNE 2026

School Newsletter for Class 6/12

END-OF-YEAR SHOW

A big thank you to the children who, once again, put on such a colourful show for us! Each of them had the chance to showcase their talents and played an active part in organising the show.

It was a wonderful opportunity to express their creativity and imagination, and to pool our efforts towards a shared goal.

ANTIBES MONTESSORI SCHOOL

TRIP TO THE SAINT-CEZAIRE CAVE

During this action-packed day, the children jumped, ran, slid and rolled all over the place amongst the inflatable play structures! After a picnic together, we stepped into the coolness of the cave, where a guide gave us a commentary on the tour. The children then got kitted out for a treetop adventure course, where they were able to test their limits and overcome their fears. They were proud of their achievements on the way back to Antibes.

ANTIBES MONTESSORI SCHOOL

VISIT BY A FORMER PUPIL

We were delighted to welcome Paloma, who spent the day with us and told us all about her new life at secondary school.

PICNIC AT THE BEACH

The last day of school and the usual picnic on Salis Beach.

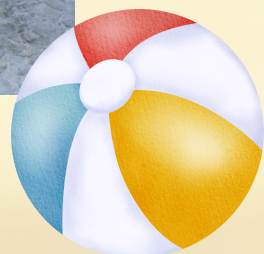

For some, it was an opportunity to enjoy a refreshing swim. A lovely time spent socialising and having fun.

ANTIBES MONTESSORI SCHOOL

'Park Time' takes place in the shade of cork oaks and umbrella pines to escape the heat, and involves building dens.

Hello Summer!

We wish you all a wonderful, fulfilling and enriching summer holiday!
